Advance Bookings Essential

Locally owned and operated since 1986, Dundee's Restaurants prioritise supporting local businesses.

Our recipes and ideas evolve from Australian and Tropical North Queensland's finest seafood, beef, pork, chicken and produce.

We offer a complete sensory journey, with a contemporary and innovative dining experience. Clean and conceptual, every plate on our menu begins with an idea, colour or memory, then we elaborate, add, subtract and reduce ingredients to their essence.

Equally, we very much appreciate your support.

Dundeess at the Cairns Aquarium are proud to work in association with the Friends of the reef Associates RFRK Recycling and Community Environmental Education Program, recycling into a regional circular economy for sustainability

drinks worth sharing

Clarified Paddle Boards - Clarification is the process in which any cocktail with a citrus component has either milk, yogurt or cream added and allowed to curdle. Now bear with us... we then strain the cocktail through a coffee filter, catching the curds and creating a filtering process, removing all impurities. The end product is a clear liquid with a smooth, silky, fuller bodied mouth feel whilst still encompassing the same taste and flavour of the original.
